

**BERKELEY PERMITTING DEPARTMENT**

PO Box 6122

Moncks Corner SC, 29461-6120

843-719-4292 Moncks Corner \* 843-723-3800 ext. 4292 Charleston \* 843-567-3136 ext. 4292 St. Stephen

**CONSTRUCTION TRAILER/UNIT VERIFICATION FORM**

A building permit for placement of a **construction trailer/unit** will be issued on the same day provided the following documents are received:

Completed Commercial Building Permit Application

Approved site plan from Planning and Zoning

Documentation to provide water and sewer availability or where waste water will be dumped

Applicable FEMA elevation certificates and/or Santee Cooper Dam Breach letter

\*\*Documentation showing the unit that is being inspected, meets Berkeley County's wind speed requirements of 133 mph or 145 mph

\*\*Wind Speed documentation will be required at time of inspection. If the inspector is called to perform an inspection and the above document is not produced, power will not be released.

Please note, a separate electrical, mechanical and plumbing permit will also be required, if this work is being done.

*I have read and understand the above referenced material and I further understand that I am required under the International Building Codes to install a construction trailer/unit in accordance with the wind speed for Berkeley County, currently 133 mph or 145 mph, depending on the area for placement of this trailer/unit. I further understand that Berkeley County Government is NOT responsible for any costs and/or damage incurred by my failure to obtain the proper wind speed documentation. I understand this is solely my responsibility, and not that of Berkeley County and its employees.*
