Farm Structure Affidavit

Under the South Carolina Code of Laws, Title 9, Chapter of the Building Codes, Section 6-9-65: “Farm Structure means structure which is considered on a farm, other than a residence or a structure attached to it, for use on the farm including, but not limited to, barns, sheds, poultry houses, but not public areas. For purposes of this section, **farm structure** does not include a structure originally qualifying as a **farm structure** but later converted to another use.” Additionally, the County requires that the structure be constructed on a parcel that is **assessed at the agricultural rate** to qualify as a farm structure.

****This form must be completed and submitted along with your building permit application to the Permitting Department for a Farm structure.****
